 Planning and Zoning Officer

April 29, 2024

**Shaping the Future of Your Community  
 Region 5 Plan**

Dear Neighbor,

Anne Arundel County is preparing a community-driven land use plan for **Region 5, covering the MD 3 corridor, the Odenton Town Center, and surrounding communities.** The Region 5 Plan will provide future direction for environmental conservation, land use, transportation, and public amenities.

We need your input to develop the Region 5 Plan! Please visit [aacounty.org/Region5](http://aacounty.org/Region5) to share what you love and want to see change in your community. The process will also include a comprehensive review of the Region’s zoning map, which regulates the types of uses and density that can occur in an area. Please sign up for the Region e-newsletter to get updates on the planning process and additional opportunities to provide input.

If you can make a bigger commitment, we invite you to apply for a chance to represent your community on the Stakeholder Advisory Committee (SAC). This group will meet monthly with County staff to advise on what goes into the Region Plan and what changes should be recommended to the zoning map. **Submit your SAC application by June 30, 2024!**

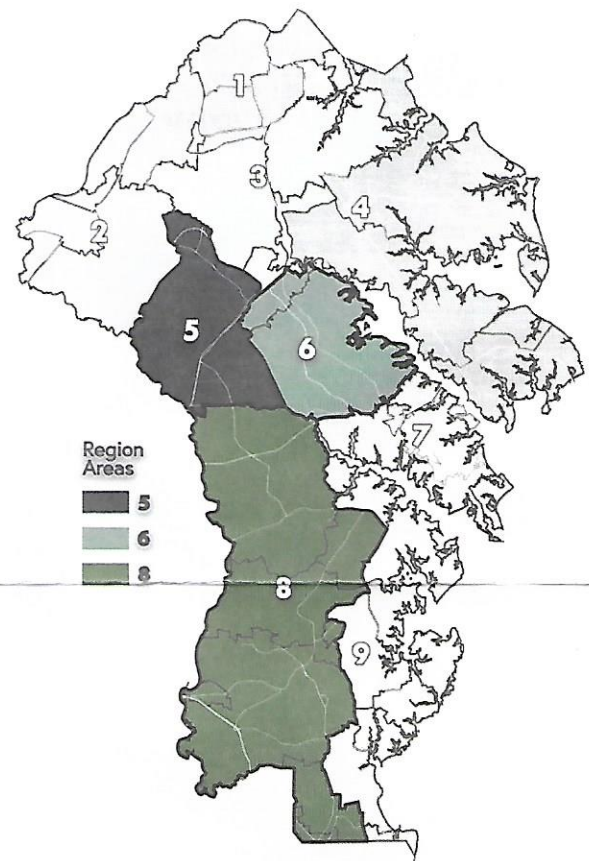

If you desire a zoning change on a property you own, you will be able to apply in Fall 2024.

Visit [aacounty.org/Region5](http://aacounty.org/Region5) to sign up for updates on the planning process, apply for the SAC, and apply for a zoning change later in the year.

We need your input to help make Anne Arundel County *The Best Place - For All!*

Sincerely,

Mark Wildonger  
 Senior Planner

Plans for Regions 5, 6, and 8 are starting now!
